Nicolas Grenié

Developer Relations | AI Developer Experience | Community Leadership

me@nicolasgrenie.com nicolasgrenie.com nicolasgrenie picsoung @picsoung

Summary

Developer advocate with 10+ years helping developers adopt APIs and technical platforms. Leads developer programs across documentation, SDKs, integrations, technical content, and hands-on events, now focused on voice AI and coding agents.

Community Leadership

Founder & Organizer, HackBarna

- Built 3 weekend editions plus additional monthly events, owning programming, production, recruiting, sponsorships, and mentor coordination.
- September 2026 edition: 800 applicants, 150 in-person hackers, and 68 projects.
- Sponsors across the series include Hugging Face, Mistral, Vonage, Nebius, Lovable, and Make.

Work Experience

Developer Advocate

Dec 2025 - Present

SLNG.ai

- Established the documentation and SDK foundations for SLNG.ai's developer platform and onboarding
- Created an n8n plugin, agent skills, and voice AI demos spanning STT/LLM/TTS integrations and latency optimization
- Supported developers across 4 hackathons and 2 workshops, translating feedback into documentation, SDK, and product improvements

Developer Advocate

Mar 2018 - Dec 2025

Typeform

- Expanded app ecosystem to 10,000+ apps through developer onboarding and integration support
- Maintained API documentation, SDKs, code samples, and technical articles for developer onboarding
- Hosted Hack Together live coding on YouTube with 100+ viewers per session and guests including Postman, n8n, and Notion
- Created Typeform's early Sales Engineering function: scoped enterprise use cases, built technical POCs, and supported account teams through technical sales
- Built strategic integrations and partnerships with Intercom, Aircall, Notion, Canva, and Slack

Developer Advocate

Apr 2013 - Mar 2018

3scale / Red Hat

3scale acquired by Red Hat in June 2016

- Hosted monthly community events and hackathons engaging 100+ developers, organized APIStrat Conference with 300+ attendees, and ran API Meetup Barcelona
- Led technical sessions and workshops at Red Hat Summit and international conferences with 500+ attendees
- Created API Escape Room event during Red Hat Summit 2017
- Co-created apis.json open API discovery format with API Evangelist (Kin Lane)

Speaking & Events

- Speaker – Devoxx France, dotJs, APIdays, HTML5conference, DevBCN, Red Hat Summit, APIStrat Conference
- Host – Typeform tuneup, API Meetup Barcelona, developer webinars, livestream sessions
- Organizer – SpeedHack Hackathon, community workshops

Content & Videos

- How I redesigned our docs for agents — documentation for developers and AI agents, October 2026
- Co-authored The Seed-to-Series A DevRel Playbook with OPRTRS Club, June 2026
- Published technical tutorials and live coding sessions on YouTube
- Host of Typeform Hack Together livecoding series
- Guest on multiple developer podcasts and livestreams

Technical Skills

AI & Developer Platforms:

OpenAI | Claude | Hugging Face | Replicate | Ollama | RAG | voice AI | STT/TTS | agent workflows

Languages & Frameworks:

JavaScript/TypeScript | Node.js | React | Next.js | Python

Developer Experience:

SDKs | API design | sample apps | technical writing | live coding | workshops

Infrastructure:

Supabase | Vercel | MongoDB | vector databases | webhooks | integrations

Additional tooling familiarity: Langfuse

Featured Projects

Bnbicons: AI icon generator with 43k+ icons created and 15k+ users. #2 on Product Hunt and #5 in Lovable Shipped competition. • *Lovable, Replicate, Hugging Face, Supabase, Lingo.dev*
PianoRigolo: Guitar Hero for babies. Easily find and play color-coded music sheets for baby pianos and toy instruments so toddlers can play real songs. • *Lovable*
ContractionTrack.com: Built in delivery room! No logins, no ads, no paywall - just a focused contraction tracker. Multilingual via Lingo.dev • *Lovable, Mobile, Lingo.dev, Tailwind*

Education

MSc in Computer Science
UTBM (Université de Technologie de Belfort-Montbéliard)
2007 - 2013

Computer Science (Exchange)
St. Olaf College, Northfield, MN
2010 - 2011
